

STUDENT CONDUCT ON SCHOOL VEHICLES

Students are required to conduct themselves on the bus and other school-provided vehicles in a manner consistent with established standards for classroom behavior.

The school principal may suspend or revoke the riding privileges of students and/or take other disciplinary actions for students who are disciplinary problems on the bus or other school-provided vehicles. Parents (or guardians) of children whose behavior and misconduct on school buses or other school-provided vehicles violates the Student Code of Conduct or otherwise endangers the health, safety and welfare of other riders shall be notified that their child/children face the loss of school bus riding privileges and/or other disciplinary actions.

If a student's riding privileges are suspended or revoked, the student's parents are responsible for seeing that the student gets to and from school safely.

The bus driver is responsible for maintaining orderly behavior of students on school buses and shall report misconduct to the student's principal and provide a copy of the report to the transportation department.
