

SCHOOL DIVISION LEGAL STATUS

The Constitution of Virginia provides that the General Assembly establish a system of free public elementary and secondary schools for all children of school age throughout the state, and seek to ensure that an educational program of high quality is established and continually maintained. The General Assembly requires that such an educational system be maintained and administered by the Board of Education, the State Superintendent of Public Instruction, superintendents, and school boards as officers of the Commonwealth. The Board of Education divides the Commonwealth into school divisions of such geographical area and school-age population as will promote the realization of the standards of quality, and will periodically review the adequacy of existing school division for this purpose. The supervision of schools in the Albemarle County school division is vested in The School Board of Albemarle County, Virginia. The School Board is a corporate body whose official title shall be "The School Board of Albemarle County, Virginia."
