Thank you so much for six excellent years at AHS. I have worked alongside some amazing colleagues, and have had so many opportunities to grow and develop in my career field as well as in leadership.

I will never forget my time at AHS. I will be in town until the end of June, and will be happy to assist with any transition necessary.

Most Kindly,

Hi Steve,

It was a difficult decision to make – I wanted to let you know that I have decided to resign. I have enjoyed my time at wonderful Baker-Butler immensely and would be honored to rejoin the BB family in some capacity in the future.

I know that you and Donna have discussed options for next year. It would be nice if I could meet with you as well. We could discuss during our final eval meeting if that works for you too.

I appreciate your understand and support.

Thank you,

Lexy

To Whom It May Concern,

I am writing to inform you that after much consideration, I have decided to resign as a science teacher at Burley Middle School, effective at the end of the 2017-2018 school year. This resignation is strictly for personal reasons and has nothing to do with Albemarle County Public Schools or Burley Middle School. As I hope you are aware, I am deeply committed to the work that I have done as a teacher during my time at Burley and will miss working with my coworkers and the students. Burley is a wonderful school and I have enjoyed very much being part of its community for the last five years. However, I have the opportunity to be able to stay at home with my young daughter and I am very much looking forward to having this invaluable time with her. During my time at Burley Middle School, I have learned a lot about myself as an educator and an individual. It is my hope to return to teaching in Albemarle County after my daughter is older.

Thank you for all of your support during my time at Burley. I wish Burley staff and students all of the best.

Sincerely,

To who it may concern,

Please accept this letter as notice of my resignation from my position as instructional coach for Albemarle County Public Schools. My last day of employment will be the last day of school June 8th 2018. I received an offer to serve as an instructional coach in Harrisonburg City Schools and after careful consideration, I realize that this opportunity is too exciting for me to decline.

It has been a pleasure working in Albemarle County over the last 10 years. Thank you again for the opportunity and I wish all the best.

If you need to stay in touch it is best to reach me at my personal email at megschenker@hotmail.com.

Hello Mr. Vrhovac,

Please accept this e-mail as my resignation from my position at Monticello High School. It has been a professionally and personally rewarding experience to have spent four years at MHS. My leave of absence was necessary as my wife was accepted to a one year fellowship program at Wake Forest University in Winston-Salem, NC after completing her residency at UVA. We moved our family from Charlottesville to Winston-Salem. We had contemplated a return to Charlottesville to continue both of our careers, however we have decided to remain in Winston-Salem to pursue a professional opportunity offered to my wife at Wake Forest University. My experience as a Mustang has made me a better educator, mentor, and role model. It is with mixed feelings that I leave MHS. The students at MHS will always be very special to me. I wish much success to all of the students, faculty, and to everyone at MHS. Thank you for the wonderful opportunity.

Best,

Christopher J. Columbano

Dear Ms. Molinaro,

Please consider this letter my formal resignation from Woodbrook Elementary school for the coming 2018-2019 school year. As I take this next step in my life as a new mother, I want to thank you for the incredible opportunities I have been afforded as an ACPS employee. When I found Woodbrook in my job search and read your principal's letter, I knew that this was a school I wanted to be a part of, and a vision to which I wanted to humbly contribute. I have been overwhelmed by the teacher collaboration at this school, and I have had the privilege of making lifelong friends among my colleagues. I have grown a great deal as a teacher through the professional development offered by ACPS, and under your guidance here at Woodbrook.

As Woodbrook makes its transition next year into an open-space and multi-age school, I wish nothing but the absolute best to you, this school, and the incredible kids we have the honor of serving every day.

Thank you for all you have done and continue to do for Woodbrook's staff and students.

All my best,

Mia Crump

Dear Lisa and Michael,

May 22, 2018

I am writing to inform you that I will be resigning from my current position. My last day of work will be June 8th 2018.

It has been one of the greatest honors of my life to work at Woodbrook with such phenomenal teachers and children. I am very thankful for the support and leadership you have provided throughout the past 3 years and know I will carry a lot inspiration and learning I acquired here with me to my next position.

If there is anyone else in the county to whom I should send this letter, or anything I can do make the transition smoother for incoming staff, please let me know!

Sincerely,

Sarah Davis
