

**November 5, 2018**  
**Board of Supervisors/School Board Joint Work Session**  
**3:00 p.m. to 6:00 p.m.**

**Desired Outcomes:**

Board of Supervisors and School Board will:

- Review summary of September 27 Board/School Board Joint meeting discussion
- Gain additional understanding of and consider necessary steps to position the County to utilize Public Private Education Act (PPEA) for future projects. Consider future adoption of PPEA guidelines. Consider timing elements associated with P3s and Center 1 and consider potential next steps.
- Gain an understanding of the County's compensation market analysis, compensation initiatives and updates, and a long-term outlook of our health insurance plan
- Receive a brief introduction to Five Year Plan Revenue Assumptions
- Gain an understanding of the School Division's five-year Financial Plan
- Review next steps in the long-range and annual budget development processes
