It shall be the policy of the Albemarle County School Board (“School Board”) that any item other than an organizational matter which has been properly moved and seconded and voted on by the School Board shall not be brought up again for action within one (1) year unless it be moved by a member on the prevailing side of the original vote. This policy may be waived by the inclusion of a waiver in the original motion or at any time by a vote of a majority of the School Board.

Organizational issues shall be considered only at the yearly organizational meeting of the School Board or at any time by a vote of a majority of the School Board.

This policy shall apply equally to any new members of the School Board.
