

SCHOOL BOARD COMMITTEES

There shall be no standing committees of the Albemarle County School Board ("School Board") except a Discipline Committee and a Legislative Action Committee. Special committees may be appointed by the Chairman or created by School Board action. These committees shall be appointed or created for a specific purpose and shall expire upon completion of the assigned task unless School Board action authorizes temporary continuance of such committees.

The work of special committees shall be confined to their specific assignments, and they shall have only such authority as the School Board directs. They shall make their reports directly to the School Board as a whole.
