# Learning for All

Goal--Thriving Students

Objective--ACPS will develop structures that support students' academic mental health for both proactive and intervention purposes. **We will ensure that academic time demands placed on students allow them adequate time to pursue their personal interests, including enrichment activities, lifelong learning, and career goals.**

Strategy--ACPS will ensure academic requirements allow students time to pursue interests outside of school.

# Learning for All

Goal 2--Affirming and Empowering Communities--ACPS commits to developing a culturally-responsive environment that will respect and champion the diversity of life experiences of all stakeholders and **supports the physical and mental health of our students, staff, and families** so they are actively empowered to engage in our school community.
