

RELATIONS WITH PRIVATE SCHOOLS

The School Board and Superintendent shall work cooperatively with private schools that serve the community and students in matters of common interest, unless expressly prohibited by state statutes or by school board policy. The Superintendent is authorized to consult with officials of these schools to determine areas of mutual concern and interest and to make recommendations to the School Board. ~~The School Board will not enter into agreement with any nonpublic school within the division to provide student transportation to and from such schools.~~
