Steps:

1. Review the policy against the checklist. If you can answer “yes” to item 1, “no” to item 2, and “yes” to item 3, then the equity threshold has been met; if not, proceed to step 2.
2. Make revisions to the policy
3. Review the revised policy against the checklist
4. After the second review, if you cannot answer “yes” to item 1, “no” to item 2, and “yes” to item 3, or if you are unsure what changes to make, this warrants referral to the review committee
