Strategic Plan: Connections

GOAL 1: THRIVING STUDENTS

ACPS will facilitate learning experiences grounded in high expectations, networks of care, and student curiosity to ensure academic and social-emotional development for all students while eliminating opportunity, access, and achievement gaps.

Summer Learning offers students time to master the objectives outlined in each grade level's Guaranteed Viable Curriculum.*

Summer Learning allows students to continue their social-emotional development in an academic and social setting.*

Summer learning provides student with opportunities to work in problem, and project based learning through invention. *

*By having fun with interesting and engaging materials to reinforce and extend student's grasp of key concepts.
