

## 22-23 ACPS Unadjusted vs. Growth Adjusted Pass Rates

The tables below show the ACPS unadjusted pass rates vs. ACPS growth adjusted pass rates (used for accreditation determination) for English and Math.

The “Unadjusted” pass rates are provided by the VDOE. The “Growth Adjusted” rates are not calculated by the VDOE at the division level. ACPS staff estimates the “Growth Adjusted” pass rates for the division based on the cumulative results of all of our schools.
