Committee/Council experience:

I served on a Social Studies curriculum committee while teaching at AHS in the 90's. And I served on a planning committee with other coaches in 1996-'97 helping to design the athletic facilities for the new Monticello High School.

Interest in serving on the School Board:

My wife and I have been members of the Charlottesville/Albemarle community for over 30 years. We've educated and raised our four children here and are heavily invested in them and in seeing our community thrive. I would like to see all families in our county be able to have their children succeed in getting a quality education regardless of their race, gender, religion, economic level or any other status.

I had the privilege of speaking with hundreds of people during my campaign for this position. Like me, many of them are concerned about the future of public education and the challenges facing the ACPS. In choosing me for this seat, the Board would be giving a voice to the thousands of Rio citizens who voted for me last year.

Experience, leadership skills, education:

I graduated from UVA with a degree in History and received my Secondary Education certification from JMU. I taught Civics and coached football, wrestling, track and field, and soccer at Linkhorne Middle School in Lynchburg, VA from 1987-1990. I taught Social Studies and coached JV football, boys cross country, and track and field at Albemarle High School from 1990-1997.

I have been a financial advisor and business owner for 22 years and have mentored many new advisors and served in leadership with my firm.
