¹Enrollment includes current Pre-K programs. Both the enrollment figure and the capacity figure assume 18 students for Bright Stars Classrooms and Head Start Classrooms and 8 students for SPED Pre-k (ECSE) classrooms. This does not necessarily reflect actual enrollment in these classrooms.

²This chart does not include the Murray High School Campus. Murray High School currently has 99 students enrolled and a program capacity of 110. Community Public Charter School (CPCS) currently has 38 students and a program capacity of 50 students.

³Figures for these schools reflect hosting SPED Pre-K programs, but the students who attend these are programs are for the majority out of district. They are located at these schools due to availability of space. Stone Robinson has 3 classes and Broadus Wood has 2 classes.
